

OCTAforESRD Code V1.0 and Data Access Form

For noncommercial and scientific research purposes

This form applies to an application for a request of code and de-identified data. Relative code and data can be accessed for requests from verified academic researchers for noncommercial and scientific research purposes. Please fill out this form for your intended research in which the code or data will be used. The completed form can be submitted via email to linht5@mail.sysu.edu.cn together with the requested license. Submitted license and access forms will be evaluated by “intelligent eye-kidney alliance” (iEKA) TEAM to verify whether the request is subject to any intellectual property, privacy protection, or confidentiality obligations. Access will be granted to verified requests from academic researchers and the data will be sent to you by email.

1. Details of the primary applicant

Name:

Position / Function:

Institute / Organization:

Lab / Research Team:

Address:

ZIP or Postal code & City:

Country:

Telephone Number:

Email:

2. Description of your intended research

Research Title:

Research Type:

Research Purpose:

Research Conditions:

(Please provide a brief description of your research conditions, for example, the previous work relating to this research, laboratory conditions, etc.)
